New England Science & Sailing (NESS) Hosts 3rd Annual NESS Fest

STONINGTON, CT. New England Science & Sailing (NESS) Foundation will be holding their third annual NESS Fest on Saturday, June 20, from 11am-3pm, at 70 Water Street in Stonington. This festive event features live music, food, and fun activities including sailing, kayaking, and stand up paddle boarding. All are encouraged to attend this free celebration and get out on the water! Participants will be supervised by trained and experienced NESS staff members. No prior experience in water sports is necessary.

The line-up for the day:

11:00-1:00 Rolling Tomato pizza truck
11:00-1:30 Live broadcast by 100.9 ROXY FM
12:00-1:00 cups Rita's ice
2:00-3:00 acoustic rock band Nordberg & Blumenreder

NESS Fest participants are welcome to enjoy free ocean adventure activities and giveaways, tour the facilities, meet the staff, and learn more about NESS's summer programs.

For more information, call 860-535-9362 or visit www.nessf.org.

New England Science & Sailing Foundation, Inc. (NESS), a nonprofit 501(c)(3), provides year-round ocean adventure education programs that engage students in experiential learning that builds confidence, teamwork, and leadership skills. Marine sciences (biology, oceanography, meteorology), adventure sports, and sailing are catalysts for teaching life skills, academic discipline, and respect and responsibility for the sea. NESS currently operates out of three locations: Stonington and New London, Connecticut, and Westerly, Rhode Island For more information, visit www.nessf.org.
